

Wastewater Operator  
Conyers, GA  
ESG Operations, an Inframark Company  
[www.inframark.com/careers](http://www.inframark.com/careers)

ESG Operations, an Inframark Company, is hiring a Wastewater Operator to join our Rockdale County team based in Conyers, GA. We are looking for candidates with a valid Wastewater Operators license in Georgia but will consider college graduates with a degree in chemistry, biology, or environmental science as well as candidates with relevant experience.

### **SCHEDULE**

12 hour shift, 7am - 7pm. Nights, weekends, overtime, and on-call may be required. This position will start as a day shift but will switch to night shift after training.

### **RESPONSIBILITIES**

- Operates a variety of equipment/machinery including: valves, pumps, motors, belt presses, disinfection equipment, vehicles, etc.
- Conducts routine testing, monitoring and maintenance of production wells, water/wastewater unit processes and basic laboratory analyses.
- Performs and documents treatment process and maintenance of treatment facility equipment. Documents plant performance including daily flow, electrical and chemical usage and dosage.
- Responds to call outs and after-hours emergencies to repair treatment equipment, pumps, motors, sensing devices, instrumentation and electrical support.
- Ensures facilities are clean, neat and secure.
- Provides customer service functions when necessary.
- Other duties as assigned.
- Willing to work all shifts, including: weekends, holidays, evening and 24-hour emergency on call.

### **QUALIFICATIONS**

- Display a willingness, aptitude and self-discipline to study the required material and meet all prerequisites to obtain water or wastewater certification.
- Knowledge of process control techniques, maintenance procedures and safe practices.
- The ability to successfully perform routine on-site maintenance and emergency repairs of treatment equipment is essential
- Knowledge of regulatory rules is essential
- Previous water or wastewater treatment experience is desirable
- Completion of water or wastewater correspondence courses is very desirable
- Willing to work all shifts including: weekends, holidays, evenings, and 24-hour emergency on call

### **EDUCATION, EXPERIENCE AND SKILLS**

**Education/Experience:** High School Diploma or GED.

**Licenses/Certifications:** Valid Driver's License. Valid Wastewater Operator's License preferred.

**Technical:** Ability to follow manual & operating instructions. Basic proficiency with Microsoft Office applications & internet. Basic knowledge of water/wastewater operations.

**Communication:** Communicates clearly & professionally. Contributes to a positive internal & external customer experience. Willing to help others. Maintains composure in challenging situations.

**Problem Solving & Quality:** Pays attention to detail. Identifies & solves problems. Escalates issues accordingly. Checks work for quality.

**Managing for Results:** Works well with supervision. Takes projects to completion. Follows all company policies & SOPs. Manages multiple tasks.

**Leadership & Initiative:** Demonstrates a positive attitude. Acts in accordance with company vision, mission & values. Takes accountability for own performance. Willing to take on additional assignments.

### **PHYSICAL DEMANDS**

Must be able to: frequently lift 50-60 pounds; load, unload & move large equipment/tools; access confined spaces; continuously walk and climb stairs and ladders.
