SUMMARY OF ESSENTIAL DUTIES AND RESPONSIBILITIES

- Perform the full range of collection maintenance duties including sewer system maintenance and repair.
- Operate and adjust controls on collection system equipment and machinery, such as valves, pumps and motors.
- Monitor, repair, and maintain wastewater system lift stations; remove debris; disassemble and clean pumps; perform minor repairs when necessary.
- Grease and clean equipment; read and interpret meters and gauges.
- Inspect and make repairs to collection system equipment.
- Operate video inspection system for underground sewer lines and storm drains.
- Perform general plant maintenance work, such as sweeping, cleaning, sanding, and painting of equipment and facilities.
- Rod sanitary sewers; install and repair sanitary sewer laterals and trunk lines.
- Observe and enforce safety precautions.
- Enter and work in permitted confined spaces and underground trenches.
- Locate, mark, and notify sewer lines per underground service alert requirements.
- May temporarily be assigned to work with other departments as needed.
- Operate trucks, tractors, and other motorized equipment of comparable size and complexity.
- Perform related duties as required.

WORK EXPERIENCE REQUIREMENTS

- Principles and practices used in the operation and routine maintenance of a wastewater collection system.
- Operational characteristics of maintenance and construction equipment and tools used in work activities.
- Occupational hazards and standards of safety practices.
- Mechanical, electrical, and hydraulic principles related to the operation of collection system equipment.
- Motor vehicles, generators, pumps, gauges, common hand and power tools, shovels, wrenches, detection devices, and a variety of related equipment.
- Electrical/Mechanical Experience a Plus
- Safe work practices and policies.

CERTIFICATES, LICENSES, & REGISTRATIONS

- Possession of a Level I, II, or III Water Operator license issued by the State of Georgia Licensing Board
- Possession of a valid CDL Georgia driver license.
- Possession of, or ability to obtain, an appropriate, valid C.P.R. Certificate.
