

## WATER TECHNICIAN POSTING

Nicholson Water Authority is seeking a full-time Water Technician. This position includes a medical, dental, and vision plan. Paid time off and more.

This is a skilled hands-on job requiring knowledge of water lines, valves, hydrants, water meters, plumbing and skills in operating a computer. Must be willing to work on-call every other week and weekend.

A high school diploma or GED is required. The ideal candidate should have one to two years' experience in the field of public water. However, NWA will offer training in areas needed for the right individual who is hard-working and willing to learn.

Applicant must possess a valid Georgia Driver's License (Class C & CDL preferred) and have a satisfactory Motor Vehicle Record. The applicant must submit to a comprehensive criminal background check.

The Authority is an Equal Opportunity Employer, FLSA non-exempt and Participates in Georgia's E-Verify.
