

# 2010 GRWA Annual Conference

## Presenter Schedule

<i>Company Name</i>	<i>Presenter</i>	<i>Topic</i>	<i>Session Time</i>	
---------------------	------------------	--------------	---------------------	--

### Monday, May 17, 2010

#### Drinking Water

Nutter & Associates, Inc.	Tony Greco	Watershed Assessments: Objectives, Outcomes, Analysis - Case Study	1:30 PM	2:00 PM
	Bruce Pruitt, PhD		1:30 PM	2:00 PM
EMC Engineering Services, Inc	Tim Baumgartner,	"Meeting the Coastal GA Initiative"	2:00 PM	2:30 PM
Sher Leff, LLP	Alexander Leff	Protecting Your Water Supply and Your Bottom Line - How to Shift Treatment Costs From Rate Payers to Polluters	2:30 PM	3:00 PM
Stevenson & Palmer Eng, Inc.	Charles Welch	Interactive Mapping Using Google Earth	3:00 PM	3:30 PM
Utility Service Co., Inc.	Onno Koelman	New Technology for Water Storage Tanks: How to Maintain Pressure, Storage, and Excellent Water Quality	3:30 PM	4:00 PM
GA DNR / EPD Atlanta	Brad Addison	SDWA Regulatory Update	4:00 PM	4:30 PM

#### WasteWater

G. Ben Turnipseed Engineers	Kenneth Green	WasteWater Treatment in History	1:30 PM	2:00 PM
Eco-Tech, Inc.	Ryan Spanton	Energy Saving Technology, STM Aerotor at Heard County - Advanced Biological Process	2:00 PM	2:30 PM
Hayes, James & Assoc.	Danny Johnson		2:00 PM	2:30 PM
Heard County Water & Sewer	Jimmy Knight		2:00 PM	2:30 PM
Godwin Pumps	Reed Waterbury	Goodwin Dri-Prime backup system	2:30 PM	3:00 PM
Orenco Systems, Inc.	Bob Smith	Alternative WasteWater Systems and Life Cycle Costs	3:00 PM	3:30 PM
Hydro International	Patrick Herrick	You Don't Know What Your're Missing - Grit Removal Technologies	3:30 PM	4:00 PM
SpectraShield Liners	John Benton	The Need for Manhole Rehabilitation	4:00 PM	4:30 PM

#### Clerks & Managers

Keck & Wood, Inc.	Tripp Corbin	Field Automation and Work Order Management	1:30 PM	2:00 PM
Georgia Municipal Assoc.	Pam Helton	GMA Services and Programs	2:00 PM	2:30 PM
QS / 1 Governmental Solutions	Elaine Barnard	Data Storage and Disaster Recovery	2:30 PM	3:00 PM
Southern Software, Inc.	Arena Youtz	New Utility Billing and Financial Software Features That Can Increase Your Office Efficiency	3:00 PM	3:30 PM
Sher Leff, LLP	Alexander Leff	Protecting Your Water Supply and Your Bottom-line - How to Shift Treatment Costs from Rate Payers to Polluters	3:30 PM	4:00 PM
USDA, Rural Development - At	Jerry Thomas	Finance Options for Water & Wastewater Systems	4:00 PM	4:30 PM
GEFA	Dan Clarke		4:00 PM	4:30 PM

### Tuesday, May 18, 2010

#### Drinking Water

AdEdge Technologies, Inc.	Greg Gilles	Iron & Manganese Treatment Technology for GA using AD26 Oxidation / Filtration: Design, Case Studies and Implementation	9:00 AM	9:30 AM
Augusta/Richmond Co. Util.	Horace Luke	Optimizing Production with GPS Monitoring	9:30 AM	10:00 AM
CheckLight Ltd.	Bob Thomas	Do You Have an Early Warning System?	10:00 AM	10:30 AM

Tuesday, March 30, 2010

Page 1 of 3

<i>Company Name</i>	<i>Presenter</i>	<i>Topic</i>	<i>Session Time</i>	
Donald Smith Company	Art de la Croix	Well and Pump Maintenance Guidelines	10:30 AM	11:00 AM
Stenner Pump Company	Cindy Schieber	Easy Maintenance for Peristaltic Pumps	11:00 AM	11:30 AM
Georgia WARN	Sandy Smith	Emergency Response	11:30 AM	12:00 AM
GRWA	Ed Urheim	"Update on Water System Regulatory Compliance"	1:30 PM	2:30 PM
	Ed Urheim	Stage 2 Disinfection By-product Rule (Stage 2 DBPR) Update - This session will provide information and tools for preparing the Stage 2 DBPR Initial Distribution System Evaluation Standard Monitoring Report. These reports are due to EPD by July 1, 2010 from approximately 400 "schedule 4" public water systems. EPD has classified most public water systems that serve between 500 and 10,000 people a "schedule 4" system.		
	Ed Urheim	Update on the Ground Water Rule - this session will provide an update on the requirements of the new Federal Ground Water rule that became effective on December 1, 2009.	2:30 PM	3:30 PM

### *WasteWater*

ABS, Inc.	Dr. Rob Whiteman	Enhancing WWTP Performance with Biofermentation	9:00 AM	9:30 AM
Pete Duty & Associates	Jay Boudreaux	Premium Efficiency Wastewater Pumping	9:30 AM	10:00 AM
Enviroquip, Inc.	Damone Supica	Cost Effective Methods for Retrofitting Existing WWTP's into High Performance Membrane Bio-Reactors (MBR)	10:00 AM	10:30 AM
B P Barber & Assoc.	Angus Maclean, P.	Wastewater - Reuse It or Lose It	10:30 AM	11:00 AM
Aerzen USA Corp.	Kevin Grant	A Realistic Look at Comparing Different Blower Technologies	11:00 AM	11:30 AM
Sealing Systems, Inc.	William Goff	How to Identify and Eliminate Manhole Chimney Area Leakage	11:30 AM	12:00 PM
CHA, Inc.	Keith Ziobron, P.E.	Wastewater Sludge Dewatering Technologies	1:30 PM	2:00 PM
	Karen Clark, P.E.		1:30 PM	2:00 PM
VeloDyne Polymer Systems	Chris Hubbard	Optimization of Liquid Polymer Systems	2:00 PM	2:30 PM
Stevenson & Palmer Eng, Inc.	Ronny Dudley	A Comprehensive Approach to I&I Reduction	2:30 PM	3:00 PM
SEMS Technologies, LLC	John Bobber	The Benefits of Using Software w/GIS Integration and I&I Capabilities	3:00 PM	3:30 PM

### *Water Distribution*

Infratec Consulting, Inc.	Tyler Hewitt	Altitude Valves - The Basics	9:00 AM	9:30 AM
Sensus Metering Systems	Paul Lukacs	Implementation / Benefits of Fixed Base AMR / AMI	9:30 AM	10:00 AM
Kendall Metering	Jason Kendall		9:30 AM	10:00 AM
Southern Waterworks Products	Steve Carter	Distribution Maintenance & Repair to Avoid System Shutdown	10:00 AM	10:30 AM
	Steve Roehrig		10:00 AM	10:30 AM
Leakage Consultants	Bud Reed	Implementing A Sustainable Water Loss Control Program in College Park, GA - Case Study	10:30 AM	11:00 AM
GPM Environmental, Inc.	Charlie King	Preventive Maintenance, Pumps & Seals	11:00 AM	11:30 AM
	Dave Johnson		11:00 AM	11:30 AM
Sensus Metering Systems	Paul Lukacs	Water Conservation / Accountability	11:30 AM	12:00 PM
Windsor Technologies	Michael Walden	Overview in Classroom and Field Demo	1:30 PM	1:40 PM
Jekyll Island Authority	John Day		1:30 PM	1:40 PM
	John Day	Installation of a Backflow Device on a Fire Hydrant	1:40 PM	2:20 PM

*Tuesday, March 30, 2010*

*Page 2 of 3*

<i>Company Name</i>	<i>Presenter</i>	<i>Topic</i>	<i>Session Time</i>	
Windsor Technologies	Michael Walden	Installation of a Backflow Device on a Fire Hydrant	1:40 PM	2:20 PM
Haralson Co. Water Auth.	Charlie Walker	Field Demo - Valve Insertion Techniques Using the "Insta-Valve" Product Line Without Interrupting Water Service - Use of Proper Safety Precautions for Working on an Exposed Water Line Including Trench Requirements	2:20 PM	3:30 PM
<b>Total Count</b>	55
