INCIDENT BRIEFING (ICS 201)

2. Executive Summary:

The State Operations Center will activate at 3 PM today, Monday, February 10, 2014 in preparation for a potential severe weather event forecasted to arrive in Georgia later this evening.

The Governor issued a State of Emergency Declaration this morning at 9 AM for 14 North Georgia Counties (Murray, Fannin, Gilmer, Union, Towns, Pickens, Dawson, Lumpkin, White, Cherokee, Forsyth, Hall, Banks and Jackson Counties). More may be added as the situation dictates. A copy of the Declaration is attached.

The lead representatives from each of the Emergency Support Functions identified in the Georgia Emergency Operations Plan have been notified and are coordinating with their respective support agencies to prepare for this event.

The State objectives for the initial operational period are:

1. Appropriately staff the State Operations Center and insure all State resources are prepared to respond prior to and throughout the event to mitigate the effects of the weather on the State infrastructure.

2. Maintain close and continuous coordination with the NWS to monitor the evolving weather situation for potential impact upon the State of Georgia.

3. Execute timely and efficient response to any requests for assistance received by the State Operations Center.

An incident has been opened in WebEOC named “Weather – 2014 Winter Weather – February 10, 2014”. If you have an account please review the incident to remain abreast of the current situation and add comments regarding any actions you take.

4. Impacted Area Weather Forecast *(Source: NWS Rep)*: Two Events

**Summary Event #1: (most uncertainty)**

**What:** Winter Weather Monday Night-Tuesday Noon

**Threats:** *Snow/Sleet* in the mountains of North/Northeast GA

*Sleet* Mixed with Rain in advisory area (south)

**How Much:** *Snow-1-3”* in Mountains/North GA, little or no accumulations in advisory area

*Sleet-*little or no accumulations in southern advisory area. Elevated surfaces most at risk

**Confidence:**

Medium: that winter precipitation will occur

Low: Atlanta Metro

Low-Medium on precipitation amounts
Summary Event #2:

What: Winter Weather Tuesday Night-Thursday AM

Threats:
Snow/Sleet in the Mountains of North/Northeast GA
Sleet/Freezing Rain in Winter Storm Watch Area

How Much:
Snow-2-4” in Mountains
.5”-1” I-20 Corridor
Freezing Rain-0.25”+along/just south of I-20. 0.5” possible ATL->eastward

Confidence:
High- that winter precipitation will occur
Medium- Atlanta Metro
Medium-High on precipitation amounts

5. General Safety Message: First responders and all on-site personnel are advised to be cautious and to take every safety precaution necessary to ensure the safety of themselves, their colleagues and the citizens.

6. SOC Specific Safety Message: SOC Evacuations-If SOC evacuation is necessary, please precede to the nearest exit sign. SOC staff should expect to evacuate to the parking lot adjacent to the State Operations Center down to the compound fence on East Confederate Avenue. SOC Parking- Parking is available in two locations, in the parking lot on the immediate left when entering the compound and directly adjacent to (behind) the State Operations Center.
INCIDENT BRIEFING (ICS 201)

7. Current Organization Chart (Source: Operations Section Chief)
INCIDENT BRIEFING (ICS 201)

8. Statewide Current and Planned Objectives (ESF 5) (Source: Event Manager)

1. Appropriately staff the State Operations Center and insure all State resources are prepared to respond prior to and throughout the event to mitigate the effects of the weather on the State infrastructure.

2. Maintain close and continuous coordination with the NWS to monitor the evolving weather situation for potential impact upon the State of Georgia.

3. Execute timely and efficient response to any requests for assistance received by the State Operations Center.

9. Emergency Support Function Specific Objectives (Source: ESF Coordinators)

**ESF #1**

3 Major Objectives

To achieve and maintain “passable” road conditions on two lanes of interstates first, then state routes from the most heavily traveled to the least traveled. Keeping roads safe for emergency vehicles is our first priority

Underway

To focus on trouble spots like bridges and overpasses with preventive treating before the snow and ice appear and consistent monitoring during the event

Underway

To coordinate with key stakeholders (city and other state agencies) to share information and provide materials, and when appropriate provide updates on road conditions and road closures to the public.

Underway

**ESF #2**

3 Major Objectives

Receive, respond and track all ESF-2 resource requests for from agencies in affected areas

Underway

Track, monitor and respond as needed regarding current 25 GEMA cache Southern LINC radio deployment to GA Nat Guard

Underway

Deploy GEMA MCV to backup GEMA State Warning Point to support telecommunications in the event of infrastructure failure

Underway

Upcoming Operational Period

3 Major Objectives

Receive, respond and track all ESF-2 resource requests for from agencies in affected areas

Track, monitor and respond as needed regarding current 25 GEMA cache Southern LINC radio deployment to GA Nat Guard
Continue to deploy GEMA MCV to backup GEMA State Warning Point to support telecommunications in the event of infrastructure failure

**ESF #3**

3 Major Objectives

- Coordinate with our utilities, Support Agencies and Water and Wastewater Associations in our preparation efforts
- Fully Accomplished

- Activate the GAWARN and request information/inventory of generators from our utilities
- Partially Accomplished

- Staff the ESF 3 desk at the State Operations Center
- Fully Accomplished

**3 Major Objectives**

- Ensure that all utilities has the proper language for Boil Water Notice
- Underway

- Distribute guidance document on how to deal with frozen water pipes
- Underway

- Respond to incoming resource requests
- Underway

**ESF #4**

3 Major Objectives

- 5 chainsaw teams on standby
- Underway

- 38 - 4wd trucks on standby
- Underway

- all fire service engines, rescue units, EMS is on 24 hour call
- Underway

Upcoming Operational Period

3 Major Objectives

- Continue to support SOC operations throughout event
- Underway

**ESF #5**

- SEE STATEWIDE OBJECTIVES.

**ESF #6**

List 3 Major Objectives

- Continue to support counties in the identification and establishment of warming centers and shelters
- Underway

- Continue to coordinate with transportation partners to provide resources at pre-identified staging areas
- Underway

- Continue to Staff the State Operations Center and respond to requests as needed
- Underway
Operational Period #1 - February 10 Severe Winter Weather Incident

**ESF #7**

**3 Major Objectives**

- Develop a list of state vendors that can provide generators. Determine if generators are available on a GSA contract.  
- Stage tents, MRE's and water for State Staging Areas.  
- Determine availability of salt products to support county efforts.

**Status**

- Underway
- Partially Accomplished

**Upcoming Operational Period**

**3 Major Objectives**

- Review Emergency Power Database in WebEOC for affected counties identified by NWS.  
- Monitor resourcing to State Staging Areas.  
- Coordinate anticipated Generator efforts with ESF 3

**ESF #8**

**List 3 Major Objectives**

- Monitoring Public Health, EMS, and healthcare partners for potential impacts of the coming weather.  
- Respond to any request for your support from ESF8 community.

**Status**

- Underway
- Underway

**ESF #11**

**3 Major Objectives**

- Monitoring any unmet needs in the state

**Status**

- Underway

**ESF #12**

**3 Major Objectives**

- Monitor power outages, natural gas and other heating fuel curtailments, and availability of motor vehicle fuels  
- Monitor storm conditions  
- Communicate as needed the status of above to appropriate agencies

**Status**

- Underway
- Underway
- Underway
Monitor storm conditions  
Communicate as needed the status of above to appropriate agencies  

**ESF #13**  
**3 Major Objectives**  
Respond to any L/E needs  
Track incoming requests with WebEOC  
Staff the SOC under ESF13 to coordinate response efforts among partner agencies  

**Upcoming Operational Period**  
**3 Major Objectives**  
Respond to any L/E needs  
Track incoming requests with WebEOC  
Staff the SOC under ESF13 to coordinate response efforts among partner agencies  

**ESF #15**  
**3 Major Objectives**  
Activate State Joint Information Center (SJIC)  
Develop joint ESF preparedness message to public and facilitate media access to SOC  
Assign work products to ESF-15/SJIC representatives  

**Upcoming Operational Period**  
**3 Major Objectives**  
Disseminate joint ESF preparedness message to public  
Coordinate key messages among ESF partners  
Establish SJIC duty roster through Thursday  

**Department of Defense**  

**Air Operations**  

**10. Resource Summary:** Please see the WebEOC Resource Request Board for specific information regarding specifics. ([https://webeoc1.gema.ga.gov/eoc7/default.aspx](https://webeoc1.gema.ga.gov/eoc7/default.aspx)). Requests for Assistance so far have included requests for road salt, blankets, potable water and southern linc telephones.

Georgia Emergency Management Agency
Situation Report

Incident: Weather - 2014 - Winter Weather - February 10
Operational Period: 2/11/14 0700

Executive Summary
Significant Winter Weather threatens to impact many parts of Georgia. The threats include rain, freezing rain, sleet, and snow. The State Operations Center and State Government are fully activated to coordinate the State’s response to this winter weather event.

State of emergency declared by Governor Deal affecting the following 45 counties:
First Executive Order: Murray, Fannin, Gilmer, Union, Towns, Pickens, Dawson, Lumpkin, White, Cherokee, Forsyth, Hall, Banks and Jackson.

Comments
Significant Winter Weather is imminent for many parts of North and Central Georgia. The threats include rain, freezing rain, sleet, and snow. Major icing is a possibility in the metro Atlanta area and parts east and south. The State Operations Center and State Government are ramped up to coordinate the State’s response to this winter weather event. Appropriate State Agencies and federal partners are working in the SOC at Full Activation.

<th>Comments</th>
</tr>
</thead>
</table>

Comments
The most current shelter information has been posted in WebEOC as of 5:30 a.m. 2/11/2014. This list includes information reported by County EMAs in WebEOC and via e-mail, those supported by the American Red Cross and information reported through coordination between County EMAs and ARC Chapter Disaster Program Managers (CPMs). Currently there are 3 Shelters Open with a population of 26 and 17 on standby. In addition there are 11 Warming Centers identified, not including all Atlanta Fire Rescue Stations.

Red Cross Chapter DPMs and ESF 6 personnel continue to coordinate with potentially impacted counties regarding additional sheltering and resource needs based on the NWS Peachtree City forecast information.

The Salvation Army has committed to providing hot food and drinks to stranded motorists and first responders for the duration of this event. The Salvation Army has eight units on standby at locations listed below and plan to utilize these units along the interstate system or major thoroughfares if requested. Units will remain stationary at their service locations until requested to respond to a specific site by the State Operations Center (ESF 6 or GEMA) or Atlanta-Fulton EMA.

Accessible points of service must be established prior to snow and/or ice accumulation as vehicles are not equipped to drive under these conditions. However, Salvation Army is committed to providing food and hydration if transportation for meals can be arranged.

Salvation Army Garage Locations:
Atlanta Downtown 468 Marietta St., NW, Atlanta, GA
Atlanta Southwest 967 Dewey St., SW, Atlanta, GA
Marietta, Cobb Co. 202 Waterman St., Marietta, GA
Griffin 725 Merrwether St., Griffin GA
Lawrenceville 3455 Sugarloaf Pkwy., Lawrenceville, GA
Covington/Newton Co. 5193 Washington St., Covington, GA
Gainesville, Hall Co. 581 Dorsey St., Gainesville, GA
Dalton 1109 N. Thornton Ave., Dalton, GA

ESF 6 Personnel have reached out to the Georgia Baptists to request capability and availability of feeding support should it be needed to support shelter operations. Awaiting reply.

ESF 6 is asking that County EMA and ARC provide shelter population counts by 6 a.m. and 6 p.m. each day to ensure accurate reporting and coordination of support.

ESF 6 personnel will continue to provide staffing at the SOC until no longer necessary.

WCasey
State Mass Care Coordinator

#### Comments

Response to any Law Enforcement needs to support local and state agencies. Be available to escort emergency responders as needed on state roadways. Assist local LE with security, road blockage, detours, or other response operations as needed. Provide security and support for other response operations as needed among state partners and in local jurisdictions (sheltering, critical transportation, etc.)

We called around this morning to the North Ga areas, checking road and weather conditions. No substantial road concerns at this time 2-11-14 0515 hours.

- Catastrophic Ice Totals! 1/3” to 3/4”

- Confidence is increasing in an event of historical proportions
- Expect significant snowfall totals across north and especially northeast Georgia
- Expect significant – crippling – ice totals from Atlanta eastward along the I-20 corridor

Do not wait to begin making plans for this significant winter event!!
